The Topic

How to share your Family Tree on Ancestry or My Heritage and Keep your Privacy

Agenda

- Focus will be on sharing your Family Tree on [Ancestry.com](https://www.ancestry.com) while protecting your privacy as best you can.
- Handout info will include info on doing the same on MyHeritage and [Ancestry.com](https://www.ancestry.com).
- Topics to cover make a tree public, private, private non-searchable, sharing trees, sharing parts of trees - leaving live people private, splitting trees using software, sharing gedcoms, etc.

- What specific item in this sharing and privacy do YOU need to know more about? Send ideas/requests to genresearch13@yahoo.com, with your request for a Zoom link!

The presentation is designed so you are encouraged to follow along on your device, using your data, to follow the Zoom demo. If you can have the Zoom up on one device (phone, tablet, laptop, etc.) while you are following along on your tree on [Ancestry.com](https://www.ancestry.com). Be interactive if you can - have you got a tree you need to share?

Q&A will follow the presentation.
