The Topic

How to set up to be a successful and cooperative genealogist, just like you would want everyone else to do! Or “do for yourself, as you would have others do for you.”

Various websites (Ancestry for sure) will be visited, and a handout sent to those who attend the meeting.

- Please register with jgsgm.vpprogramming@gmail.com if you did not attend the previous classes with the mentor.
- Once you are registered you will be receiving direct mail from the mentor.
