Chasing Portraits

by Elizabeth Rynecki

The presentation is done through Live Video Conference from San Francisco

Made possible through the collaboration with the IAJGS (International Association of Jewish Genealogical Societies) and Go to Meeting

This is a memoir fraught with emotion of one woman's determined quest to find the art of her great grandfather, lost during World War II.

Moshe Rynecki's body of work reached close to 800 paintings and sculptures before his life came to a tragic end. It was his great-granddaughter Elizabeth who sought to rediscover his legacy, setting about an arduous journey to seek out what had been lost, but never forgotten.
