Doug Kaplan, Esq. Presents

The Return

The awakening of the descendants of those Jews who were compelled to receive baptism during the 355 years of the Spanish Inquisition. Their entitlement to reclaim their Jewish identity and, if they qualify, to restore their Spanish citizenship.

The lecture and discussion will be conducted by Attorney Doug Kaplan who will speak of communities of genetic Jews who are unaware of their true historical origins or are still frightened to reveal them. Individuals have been invited to provide their personal experience.

Although the presentation will be in English, bilingual communication will be encouraged. This event is presented by the Jewish Genealogy Society of Greater Miami in support of its plan to extend its programming to North Dade County.
