## **Let your DNA Tell Your Story**

Your DNA, by its very nature, is one of a kind. There is no one else on the earth exactly like you.

In this back to basics lecture we will cover the three main kinds of DNA testing and discover ways you can use this unique record to tell the story of your family history.

16 years of experience in the genetic genealogy industry has qualified Diahana to instruct all levels of interest. You will leave enlightened and motivated as she is upbeat and full of energy. She has a passion for genetic genealogy, a genuine love for people, and a gift for making the technical understandable.
