## The Museum of the Jewish People Beit Hatfutsot

Join us for this unique presentation **live** from The Museum of the Jewish People, Beit Hatfutsot, in Tel Aviv.

using innovative technologies –

Beit Hatfutsot has launched a new robot tour that allows those who are unable to visit the Museum in person, to experience a full guided tour from the comfort of their own home (or our library). This robot is the first of its kind in Israel, and one of the only ones in use in museums around the world.
