## Join us in the Adult Reading Room **DISCOVER YOUR FAMILY HERITAGE**

Are you interested in exploring the journeys of Jewish immigrants and understanding how assimilation has shaped Jewish identity around the world? The Adult Reading Room, in partnership with the Jewish Genealogical Society of Greater Miami, invites you to join us every Thursday for a special series of **interactive discussion groups**.

These sessions offer a unique chance to:

- \* Dive into documentaries and written materials about immigration experiences
- \* Share your family records and personal stories
- \* Connect with up to 15 attendees passionate about genealogy and heritage

*Reserve your seat today and bring any family materials you'd like to share!*  
**RSVP:** Etta Gold, [egold@tbam.org](mailto:egold@tbam.org)

Whether you're just starting your family history research or looking to deepen your knowledge, this is your opportunity to learn, share, and celebrate your roots.

### **ADULT READING ROOM REMINDER**

Reminder to visit our own libraries here on campus where you can actually see these award-winning books and so much more. ~ We welcome you all to our extraordinary library collection, which is now divided into three locations, all enhance the mission of the Temple Beth Am Congregational Library - "to provide materials of education, entertainment and enrichment for congregation and community." Our Fiction books are in Meeting Room 2, where you can find detailed instructions for borrowing whatever you like. On that same floor, in the Clergy Satellite Library, are the religious study books, i.e. Torah, Talmud, observances, education, and languages. Our Hub location, the Adult Reading Room, contains an enormous variety of literature, community, history, geography, all Judaic.

**We look forward to greeting you there.**
