Who are you and who are your ancestors?

Discover Your Family History — Everyone Has a Story to Tell!

Have you ever wondered where your ancestors came from, how they lived, or what brought your family to America?

Join Paulette Bronstein for an engaging introduction to genealogy. Discover how family photographs, historical records, immigration documents, and treasured memories can help uncover your family's fascinating history.

Whether you're just beginning or have already explored your family tree, come discover the stories waiting to be told!
